**SOME RECENT FORGERIES & BOGUS OF 1945
GERMAN, AUSTRIA & AMERICAN OCCUPATION
“LOCAL” STAMPS.**

DECEMBER 2009.

I present here good scans of more than one hundred forgeries and bogus of 1945 German “local” stamps appeared during the year 2008. I have provided all possible information about them. As far as I know, all the stamps shown here are signed with forged signatures and none of them is backstamped “FORGERY”, “FAKE”, “FALSCH”, etc. If you are the unlucky owner of one or more of them please help me with the lacking information, specially with scans of the back signatures. Surely this will help a lot of people. Thank you very much.
